creating designs to enhance any table setting

Founded in 1955, Robert Welch Designs is a family run business based in England at Chipping Campden in the Cotswold District. Today's in-house team works from the original 18th century Cotswold Silk Mill which Robert founded, ensuring that Robert's memory lives on and that every new product continues to be 'Designed the Robert Welch Way':

- Comfort and use is at the heart of the design process
- Spoons and forks are made using the highest quality 18/10 stainless steel
- Knife blades are made from specially hardened stainless steel to provide the finest possible cutting edge
- Each piece is rigorously tested; the weight, shape, style and finish all combining to enhance the overall diner experience

With multiple accolades including the Red Dot Design Award, Good Design Award, Product of the Year Award, and two highly coveted Queen's Awards for Innovation and International Trade, Robert Welch products can be found in some of the world's most prestigious hotels and restaurants; on first-class rail services and aboard cruise-liners and international airlines.
